**RE: Estate of Joseph Frada, Deceased**

Dear \_\_\_\_\_

I am writing to you on a matter that our firm is currently working on regarding the estate of Joseph Frada, who we believe to be your cousin. We are a local family business and have been locating unknown and missing heirs to estate matters for over 90 years. By conducting thorough genealogical studies, we identify the rightful heirs in matters such as these to ensure they receive the assets they are legally entitled to, but may otherwise be unaware of. Without our efforts, assets such as these often get forfeited to the state government.

At the time of Mr. Frada's passing, only one cousin came forward, which prompted our genealogical search. Our initial review indicates that you are the daughter of \_\_\_\_\_ and the granddaughter of \_\_\_\_\_

If so, we feel that you should be included as surviving family, and may be legally entitled to a share of certain assets associated with this matter. I've enclosed a copy of our agreement for your consideration, along with the authorization form for Attorney Steven Hemingway who will be handling this matter. If it meets with your approval, please sign and return them to us in the enclosed envelope. We've already heard back from some of your cousins, but originally had not been able to find your address.

The only time that we are paid for our work is if we are successful and you ultimately receive your share of these assets, and our 20% fee would only apply to the assets you actually receive. If we are unsuccessful or if it occurs that there are no assets to be distributed from his estate, you would never be obligated to us in any way. We have been members of the Boston Better Business Bureau for over 50 years and have a perfect record so you can feel confident in our efforts on your behalf.

It will be the task of our office to provide all the necessary genealogical data such as birth, death and marriage records back in your family order as may be required to prove your relationship in this matter, and so your right to inherit.

We believe that this matter would not have come to your attention if it were not for our efforts in locating you. I trust that this letter fully explains the situation, but please feel free to call me directly at (781) 953-1830 with any questions you may have, and I'll be happy to answer whatever I can.

In closing, as we will be compiling your family genealogical chart as needed for the court, I would be happy to provide you a copy free of charge when this matter is successfully concluded. Thank you for your time and consideration.

Sincerely,  
  
Leo Fontaine
